The Colorado Health Policy Coalition is a broad and diverse group of stakeholders dedicated to proactively positioning Colorado to shape the federal conversation about the future of health care in America.

We are calling on Congress to:

- Repeal the Affordable Care Act only with a clearly identified and carefully considered replacement plan outlined.
- Take a comprehensive, coordinated approach and reject piecemeal changes that could have negative consequences.
- Find a non-partisan path forward.

100 + groups from 64 counties
